### ***AML Pledges to Assist Hurricane Victims***

**Nassau, Bahamas, September 3<sup>rd</sup>, 2019:** The entire AML Foods Limited family is saddened by the reports of massive loss and destruction coming out of the northern Bahamas. “Our thoughts and prayers are with our fellow Bahamians who have been impacted by this devastating storm. The days, weeks and months ahead will be difficult, but as a company, we are pledging our support to our colleagues and the communities of Grand Bahama and Abaco”, said Renea Bastian, VP of Marketing & Communications. “AML Foods, Solomon’s and Cost Right are pillars in the Freeport community, and we have already begun putting in place recovery operations to help our colleagues and customers, who have suffered such major loss and damage over the past two days”.

The company is currently diligently working to account for all of their 275 associates on Grand Bahama Island. “Once we receive the all clear from the relevant authorities, we will complete a full assessment of all of our locations in Freeport so that we can immediately begin servicing the community, and getting aid and supplies into the island”, Bastian explained. The company has also reached out to their international vendors to determine what, if any assistance or aid they can provide. “We will make an announcement very soon of our donation pledge. We are a family and we will rebuild, we will recover and we will be stronger than ever”, Bastian said.
