### **SOLOMON'S DONATES \$30K TO THE GRAND BAHAMA CHILDREN'S HOME**

Freeport, Grand Bahama, JULY 20<sup>th</sup>, 2021: The Grand Bahama Children's Home is now one step closer to meeting the dietary needs of its children thanks to a generous donation from *Solomon's Lucaya*. *Solomon's Lucaya* announced that it will donate \$10,000 a year to the home for the next three years.

"Like all families, our Home has experienced increased costs all around and with 30 children online for school and at home all day, these costs were challenged even more," explains Lesley Davies-Baptista, Director.

"We are so grateful for this partnership. The commitment from *Solomon's & AML Foods* to help offset some of our grocery costs for the next 3 years is tremendous, helping us in such a tangible way. It takes a village to care for and feed our children, and one of the most fundamental ways to provide nourishment is through the provision of well-balanced meals".

"Solomon's has been a part of the Freeport Community for more than twenty years, employing many Grand Bahamians like myself and supporting the local community who we value. Whether it was a major hurricane like Dorian or the support of a Sporting Club we have always done our best to give back and help," explains Jermaine Smith, Store Manager at Solomon's Lucaya. "Our commitment to the Grand Bahama Children's home is just another example of how we take our role as a corporate citizen seriously and consider it our duty and responsibility to help. We will continue to keep our ears to the ground to identify where we can be of service and then do our best to assist," he adds.
