On April 22nd, Solomon's Fresh Market and Solomon's Lucaya celebrated Earth Day in Nassau and Freeport by hosting a Poster Contest titled "Invest in our Planet" to raise awareness on how to protect our environment.

The competition was open to students in grades 7-9 and submissions were judged based on a number of criteria that included creativity, overall visual appeal, and relevant content. Renea Bastian, Vice President of Marketing &, Communications, and Business Development said; "We are excited to participate in another Earth Day Event as AML remains committed to preserving our planet for future generations to enjoy. All the artwork submitted was creative and inspiring, and we were very impressed by the incredible range of talent and interest that was displayed by participants. I would like to thank all the students who took the time to address these important environmental issues, and in such a creative way. It was certainly a difficult task to choose the overall winners."
