

**CEO Message** Q3 2024-2025

The Board of Directors of *AML Foods Limited* today announced results for the third quarter ended January 31<sup>st</sup>, 2025. Sales for the period were \$57.5m, compared to \$51.8m for the same quarter last year. The company recorded a net profit of \$4.4m compared to \$2.6m for the same period last year.

The work previously performed on supplier consolidation and alignment, product selection and variety, are now translating into improved sales and operating results. Our investments in better facilities, data insights, merchandising and overall brand value propositions are resonating with our customers, both old and new. Increases in customer counts, particularly in our Grand Bahama market, and average basket size, as well as customer satisfaction scores have fueled our positive sales momentum.

We have benefited this quarter from our efforts to increase non-core revenue earnings, with Domino's, ecommerce and our new online food service portal, Chef Direct, all positively impacting our growth. Customer feedback from Exuma, Abaco and Eleuthera on Chef Direct has been very positive and we look forward to launching in New Providence and Grand Bahama later this year. The expansion of Chef Direct, along with the expected opening of Eleuthera Markets in May will fuel continued sales growth for several guarters.

Our investment in security and processes has allowed us to continue to lower shrink expenses and we are confident in our ability to maintain reliability in margins, shrink control and expenses, while simultaneously onboarding new revenue streams.

Based on the quarter's performance the Board of Directors have approved an ordinary dividend payment of \$0.05 per share and an extraordinary dividend of \$0.03 per share, both payable on March 28<sup>th</sup>, 2025, to shareholders on record as of March 21<sup>st</sup>, 2025.

On behalf of the Board of Directors I would like to say thank you to our team of dedicated associates and our loyal customers for your continued commitment and support of our company and businesses.

Sincerely,

Gavin Watchorn CEO & President
